

# The mother of all betrayals

Tricky triangle ... from left, the wife, the husband, holding DNA swabs that proved he's not dad, and the lover

**A DOTING dad told yesterday how he brought up four kids as his own ? only to find they were all fathered by his wife's secret LOVER.**

Cheated Charles Bostock, 69, spent years thinking the three cherished girls and a boy were his children.

He only discovered the shock news when his 49-year-old wife Sarah fell pregnant with a FIFTH child by married love rival Richard Mills.

*Retired policeman Charles knew he could not be the dad because he had not bedded Sarah for many months.*

Pals finally told him who the baby's dad was. But he did not learn the truth about the *other* four children ? aged 12, ten, nine and six ? until DNA tests proved they were Mills'.

Heartbroken Charles said yesterday: "I feel like the life has been ripped out of me.

"I brought those kids up for 12 years like any normal dad. I changed their nappies, dried their tears, took them to school ? and now I've lost everything. I still love them and they love me, but what sort of life will they have now?"
